Diagram 178 shows the assembly of a semi-circular roof section. It consists of four sub-images: 1. A semi-circular piece with a red patterned surface and white structural lines, labeled ST5. 2. The same piece with white pins being inserted into its edges, labeled ST5 and HH1. 3. A close-up of a pair of tweezers placing a pin into the piece, labeled ST5. 4. The completed piece with all pins inserted, labeled HH1 and ST5. Icons for a pin and a puzzle piece are shown.

179

Diagram 179 shows the assembly of a semi-circular roof section. It consists of two sub-images: 1. A pair of pliers being used to bend a wire into a semi-circular shape, labeled ST5 and HH1. 2. A close-up of the wire being bent, labeled ST5 and HH1. Icons for a pin and a puzzle piece are shown.
