Diagram of a sail patch. A black line labeled **Y3G** runs diagonally across the top left corner. A curved line labeled **CT1** is drawn on the right side. The patch is a triangular piece of light-colored fabric with a row of small, dark, vertical stitches along its bottom edge.

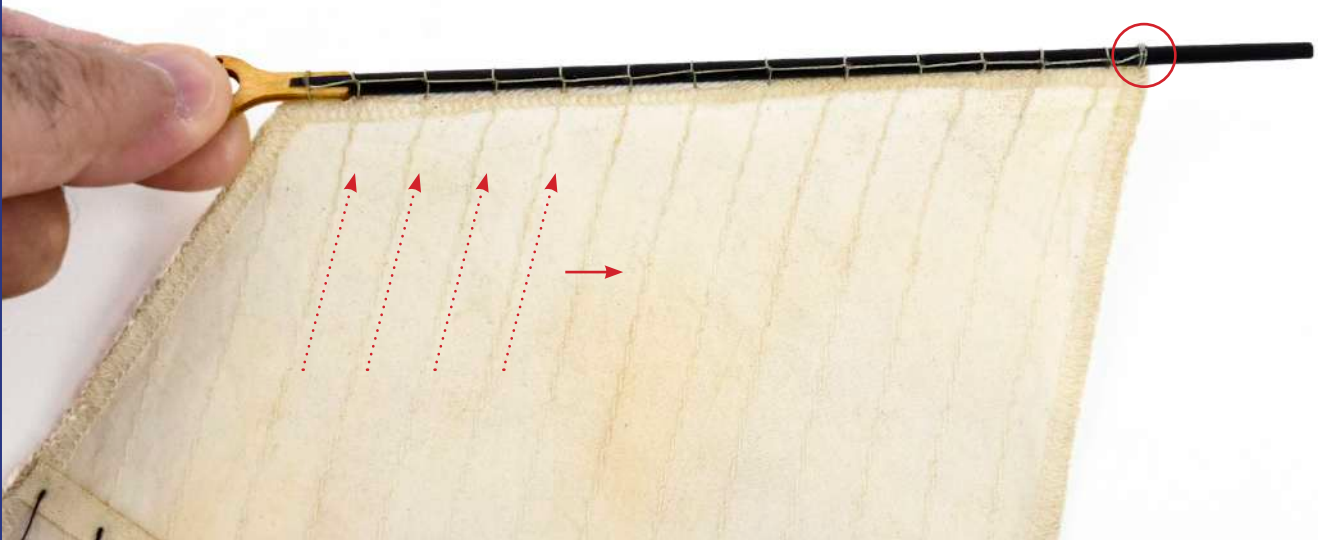

06

Close-up of a wooden gaff holding a sail patch. Red arrows numbered 1 and 2 indicate the direction of the stitching. Arrow 1 points to the right, and arrow 2 points to the left.

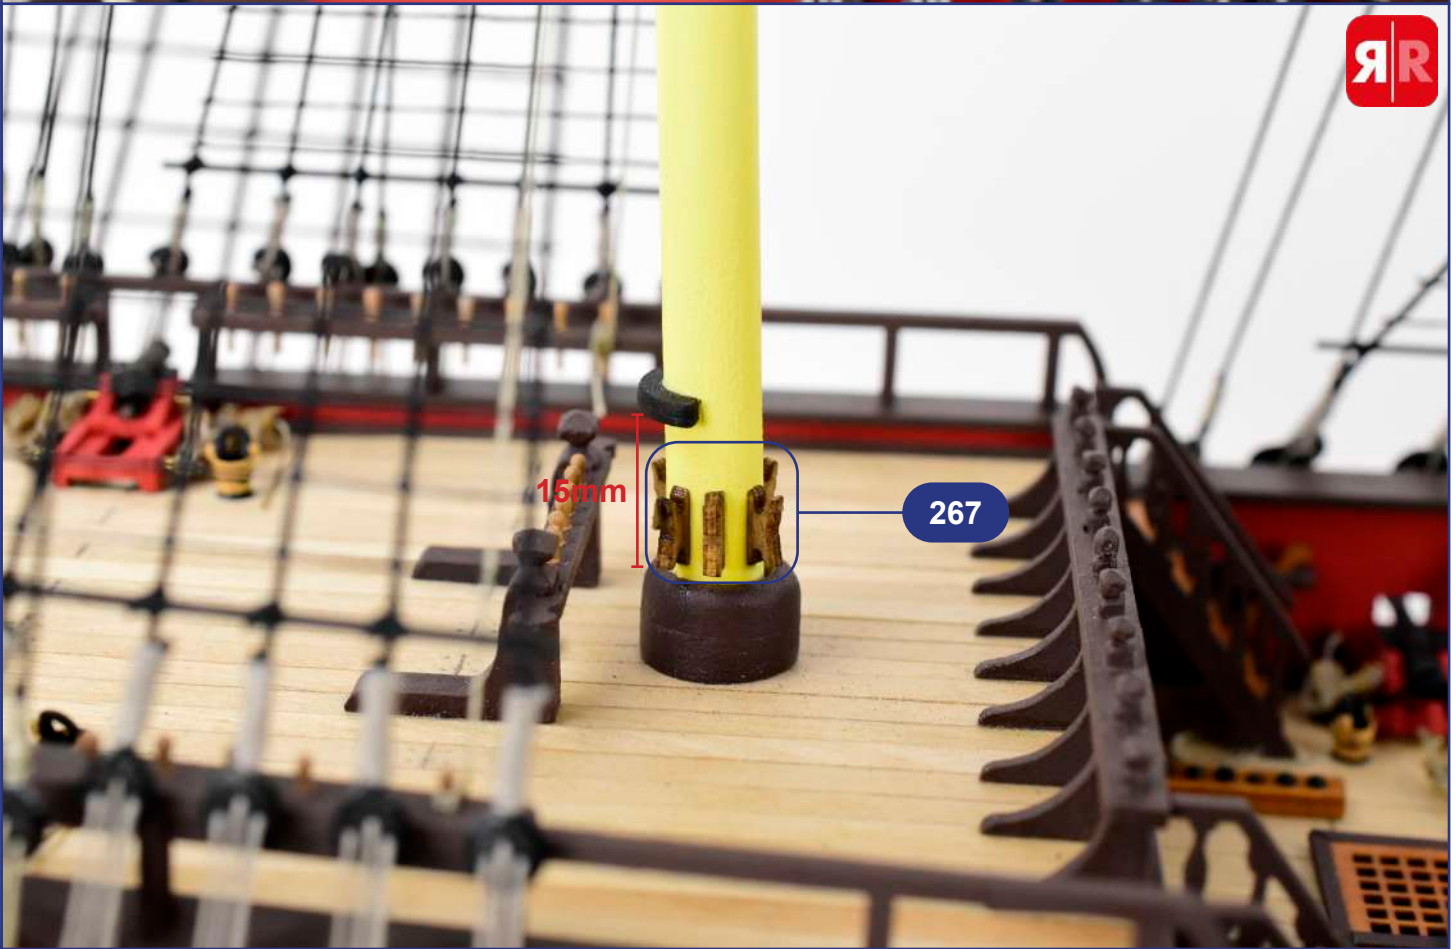

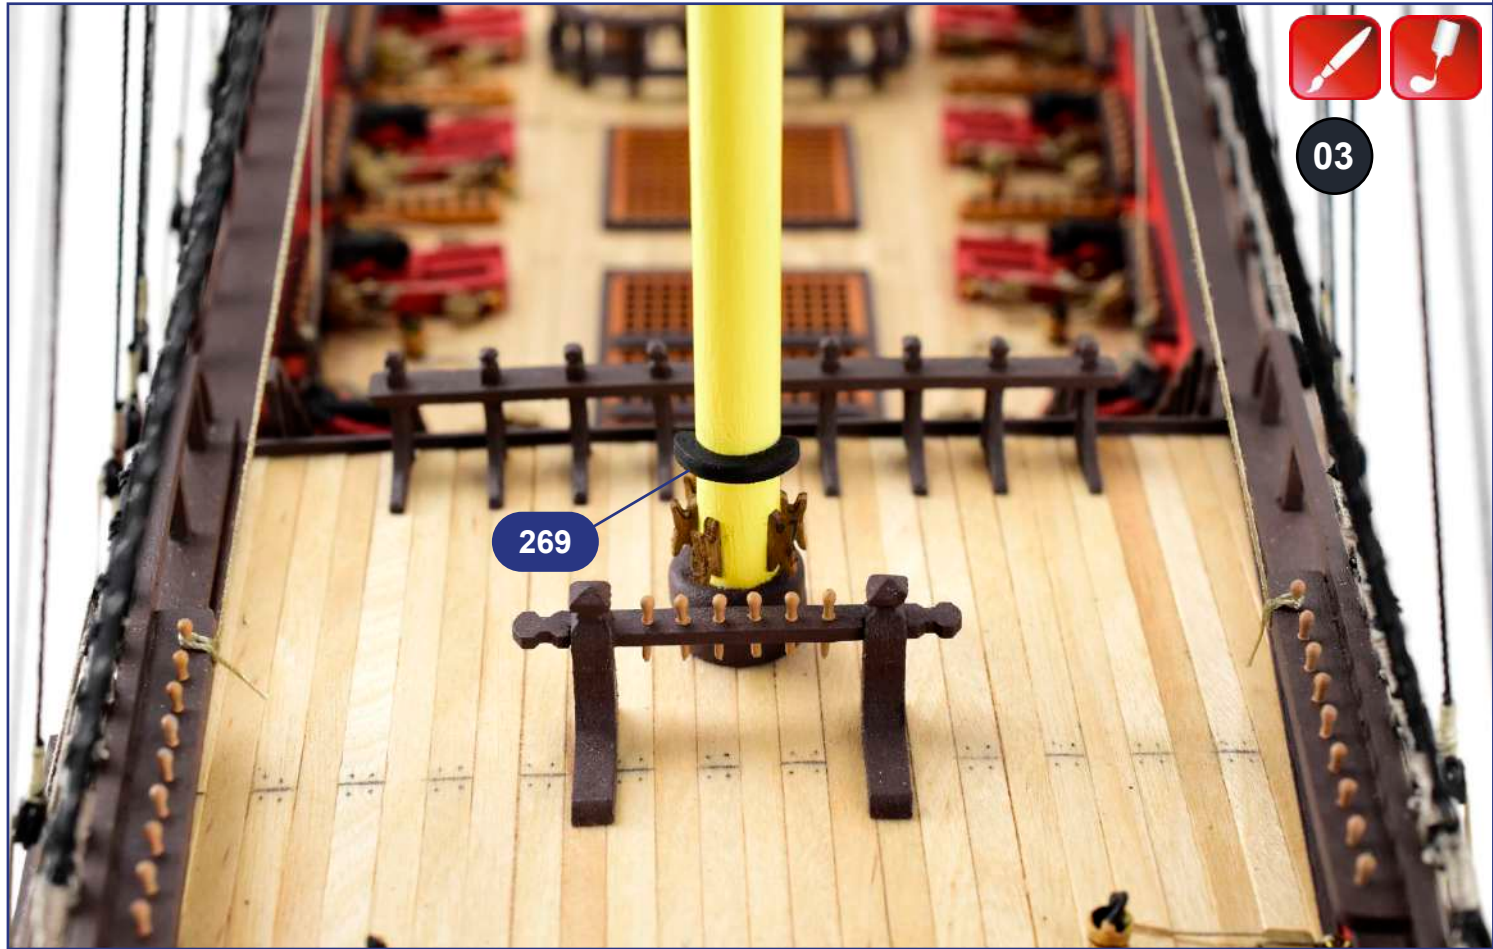

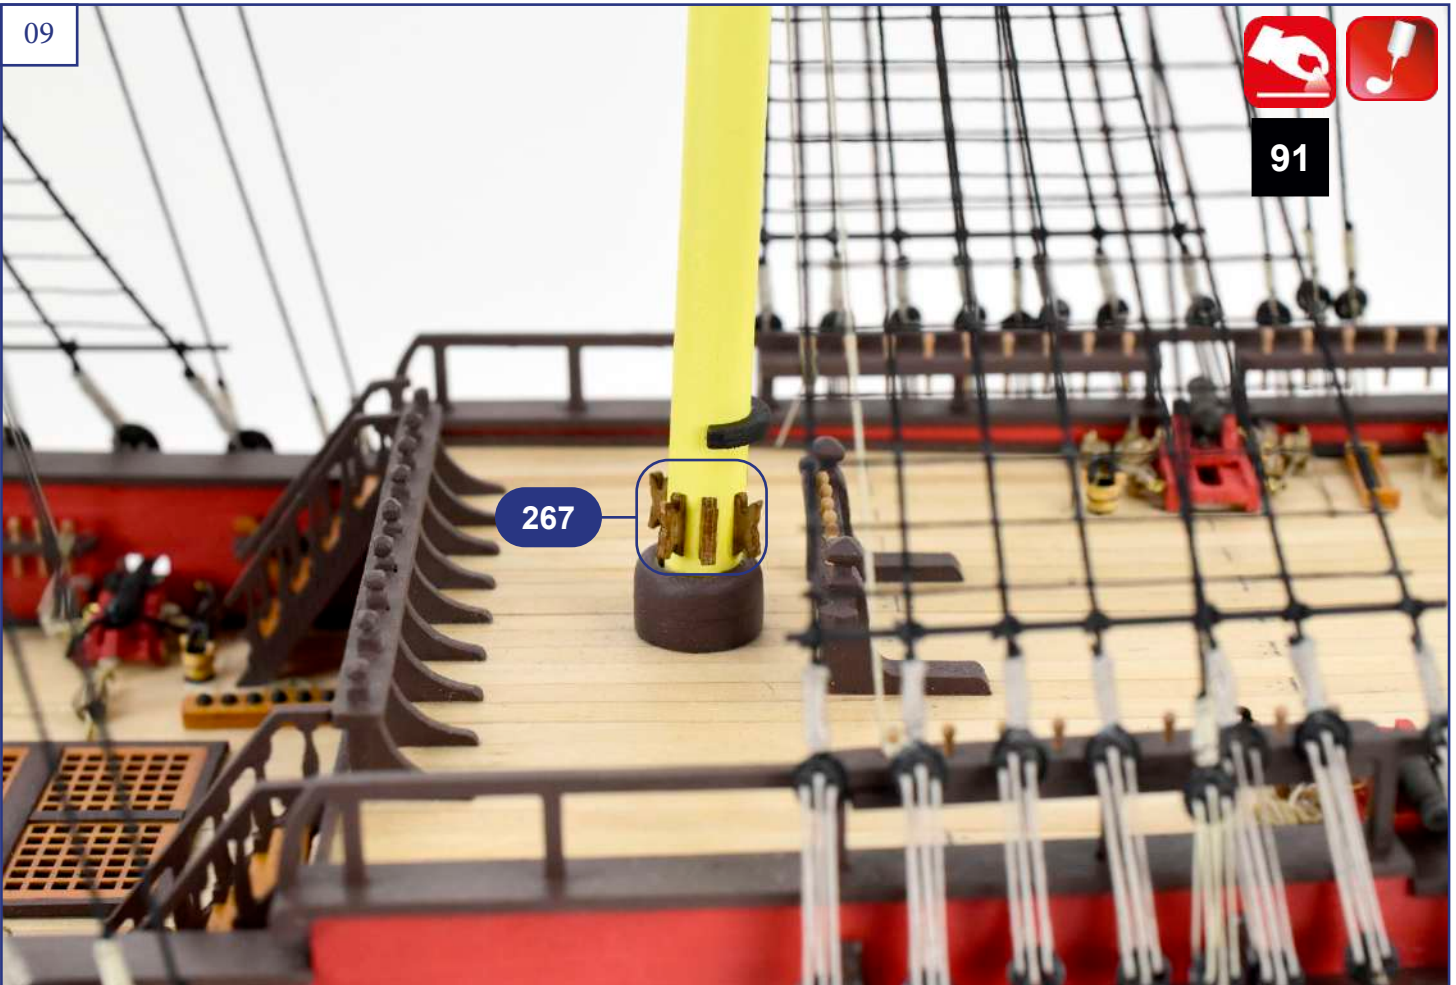

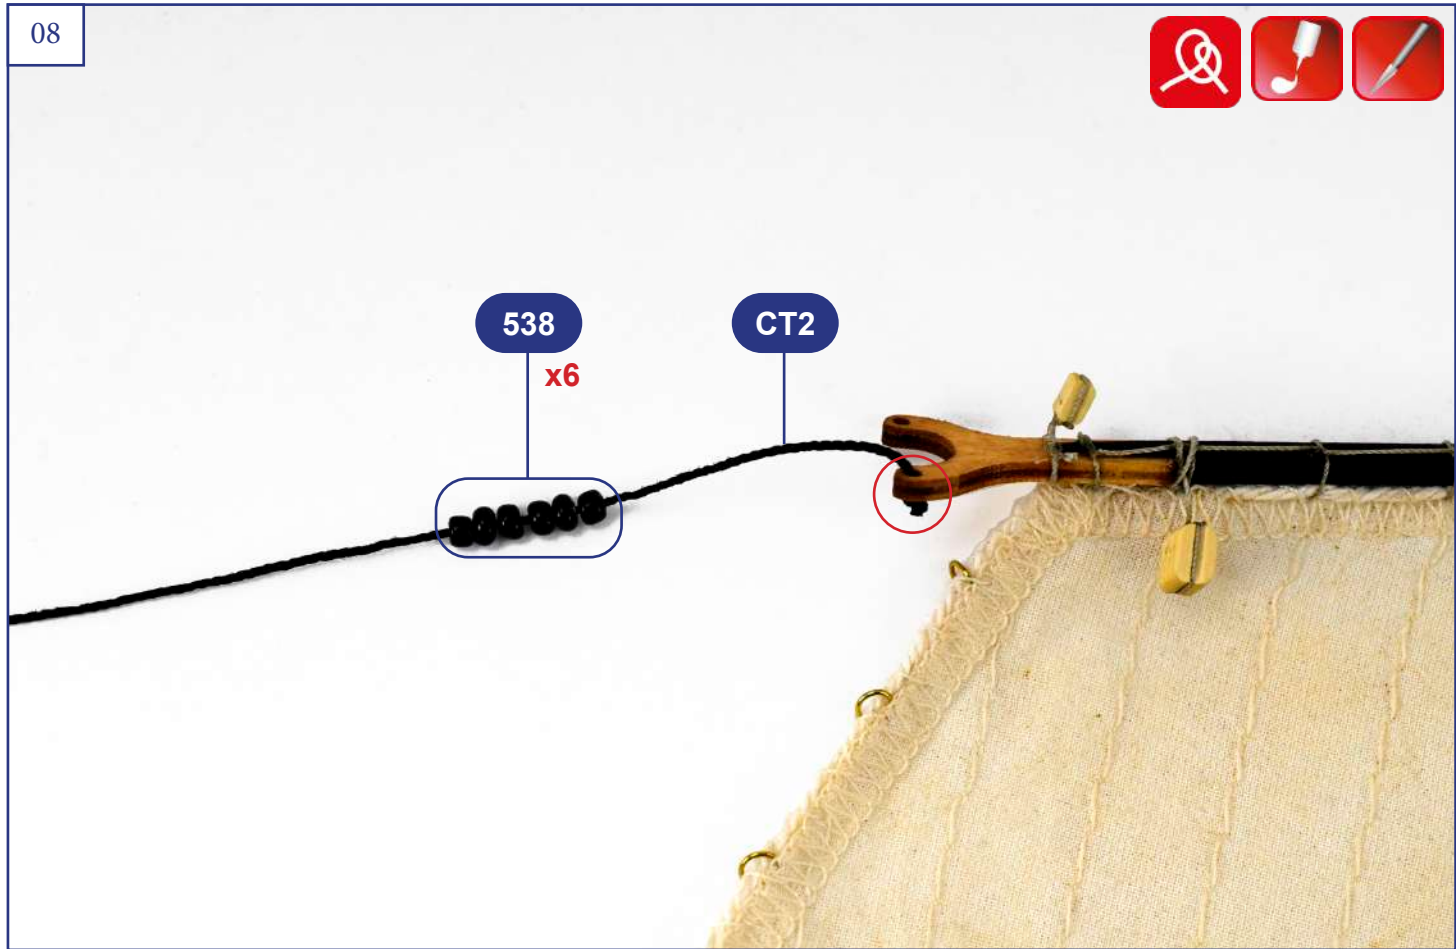

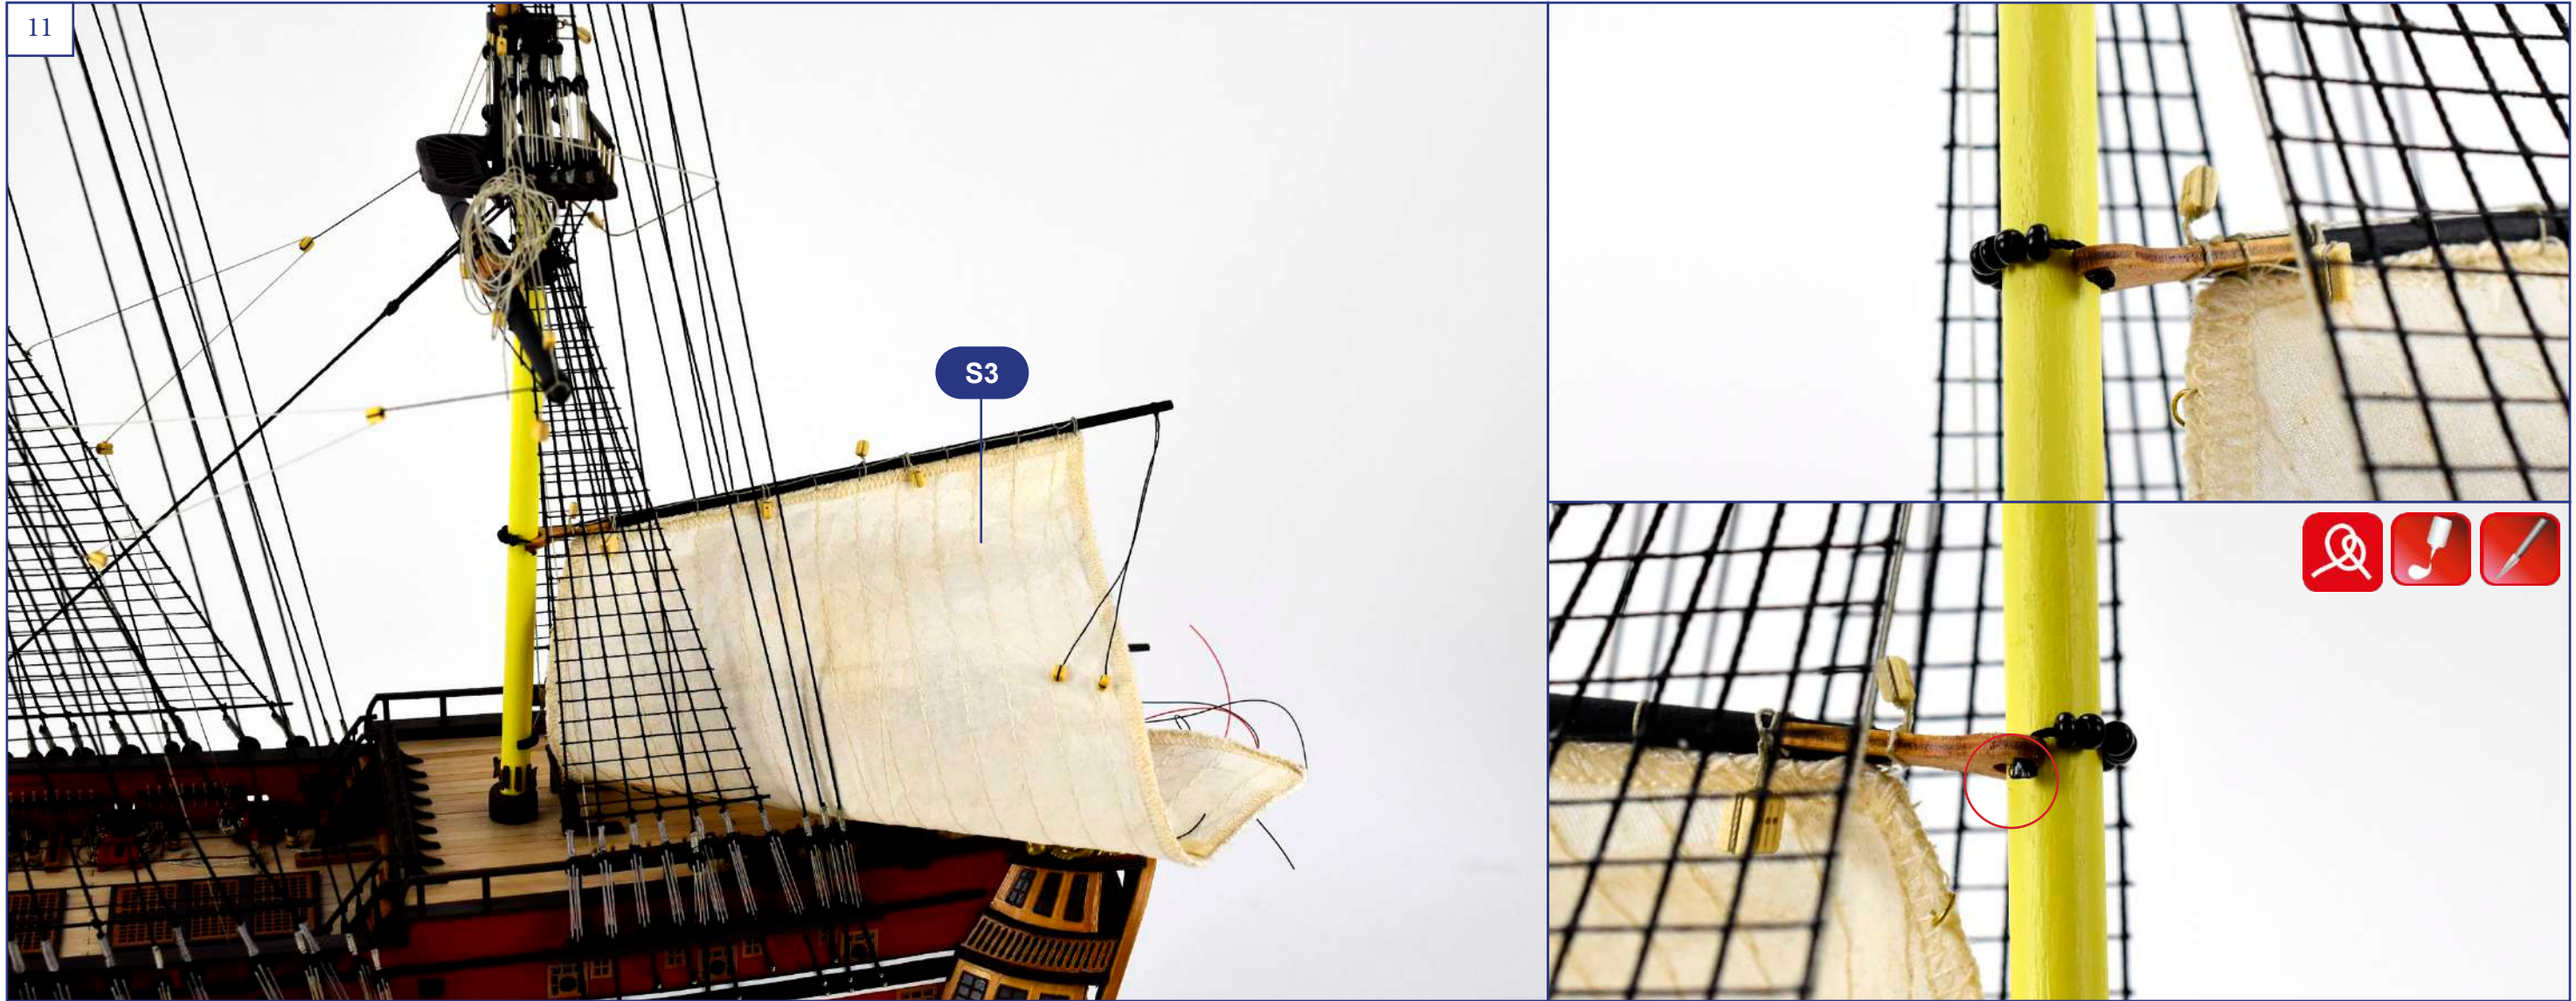

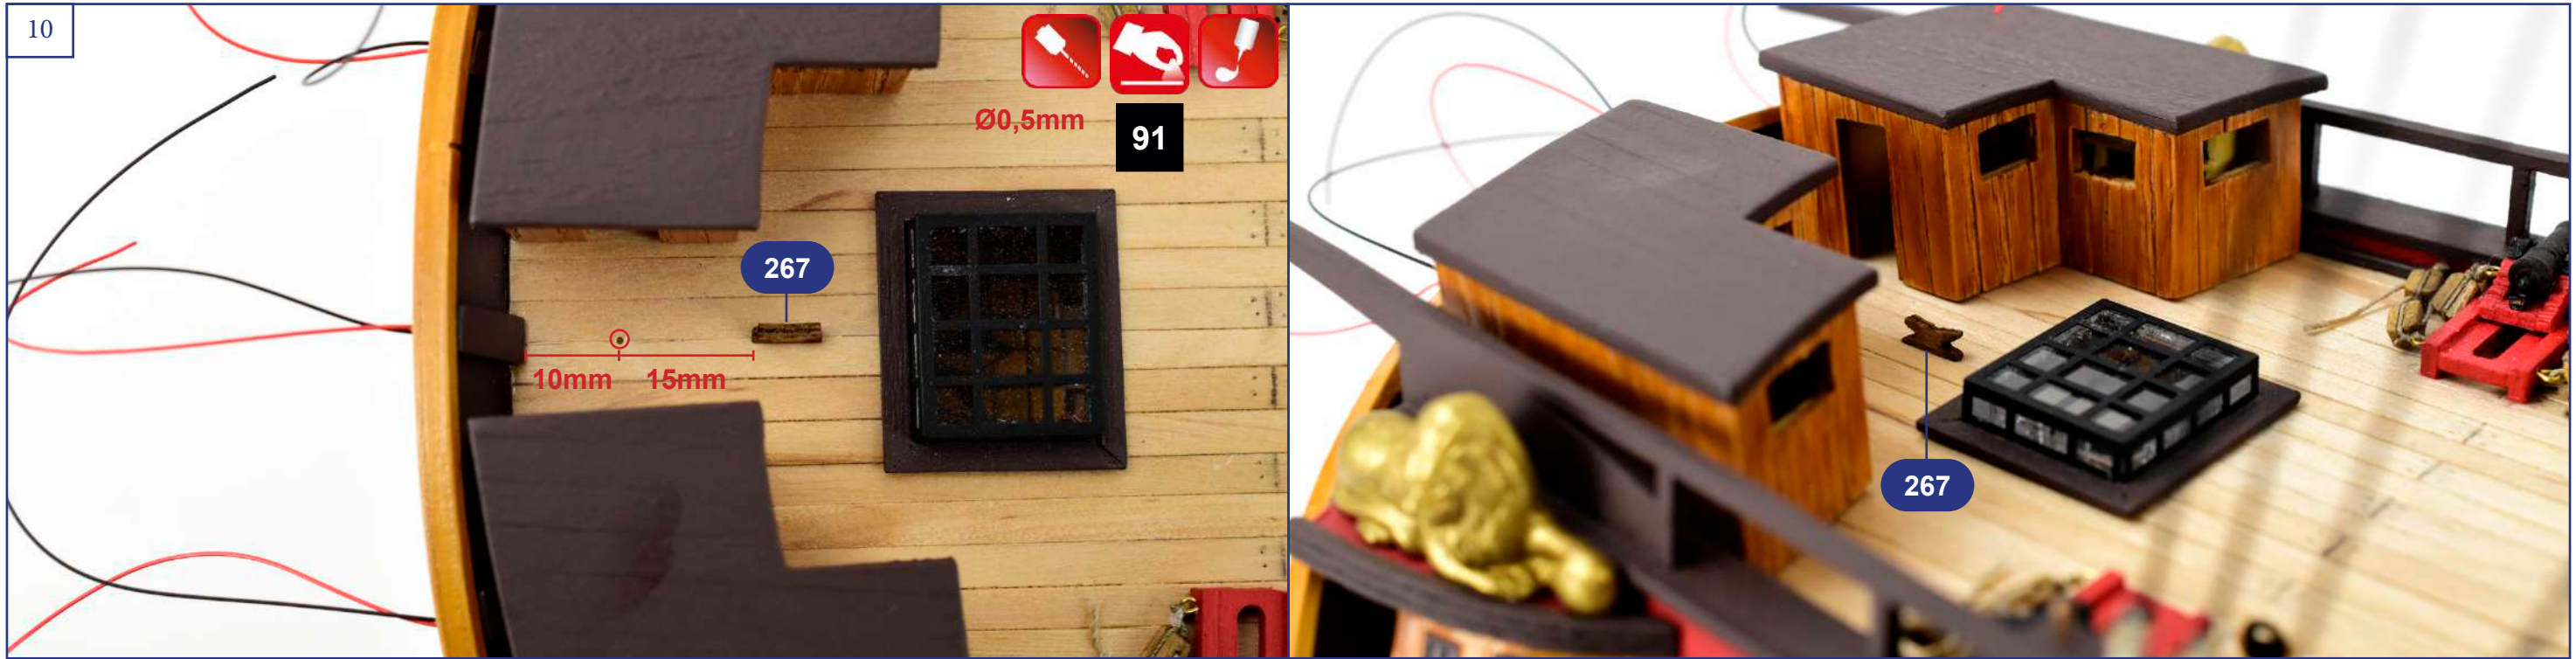

Close-up of a wooden gaff holding a sail patch. A red double-headed arrow icon is visible on the right side of the patch.

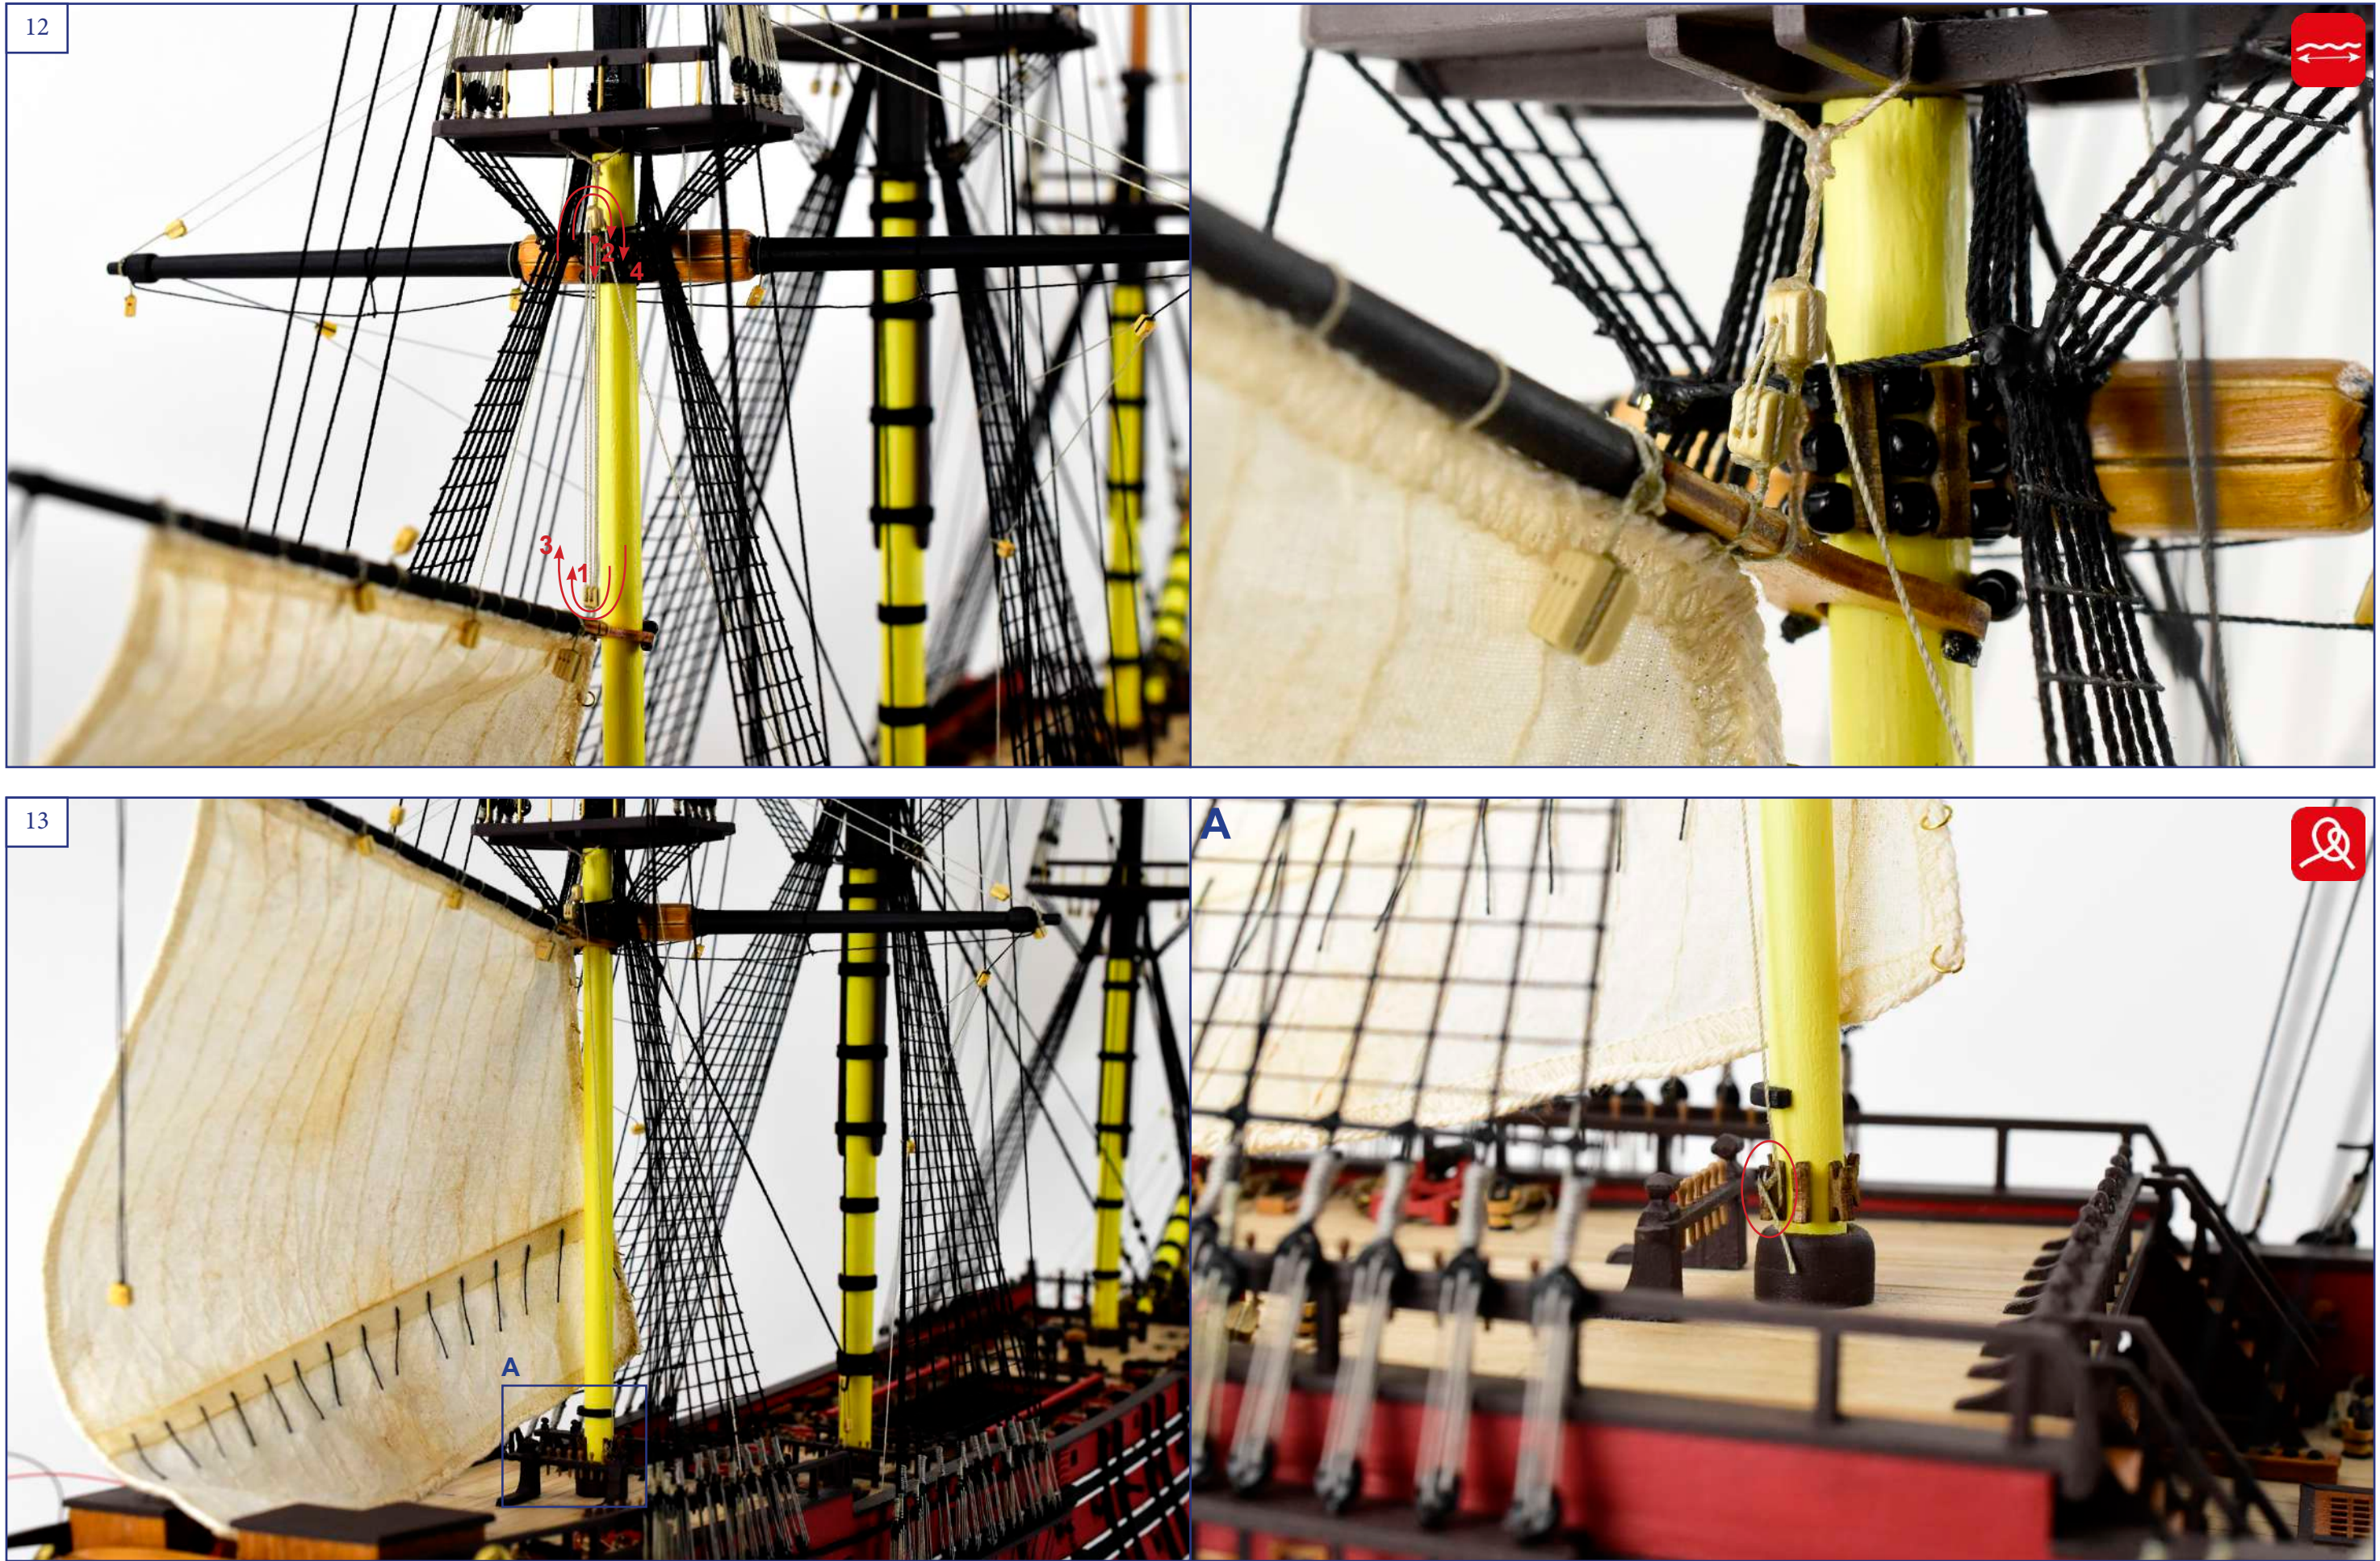

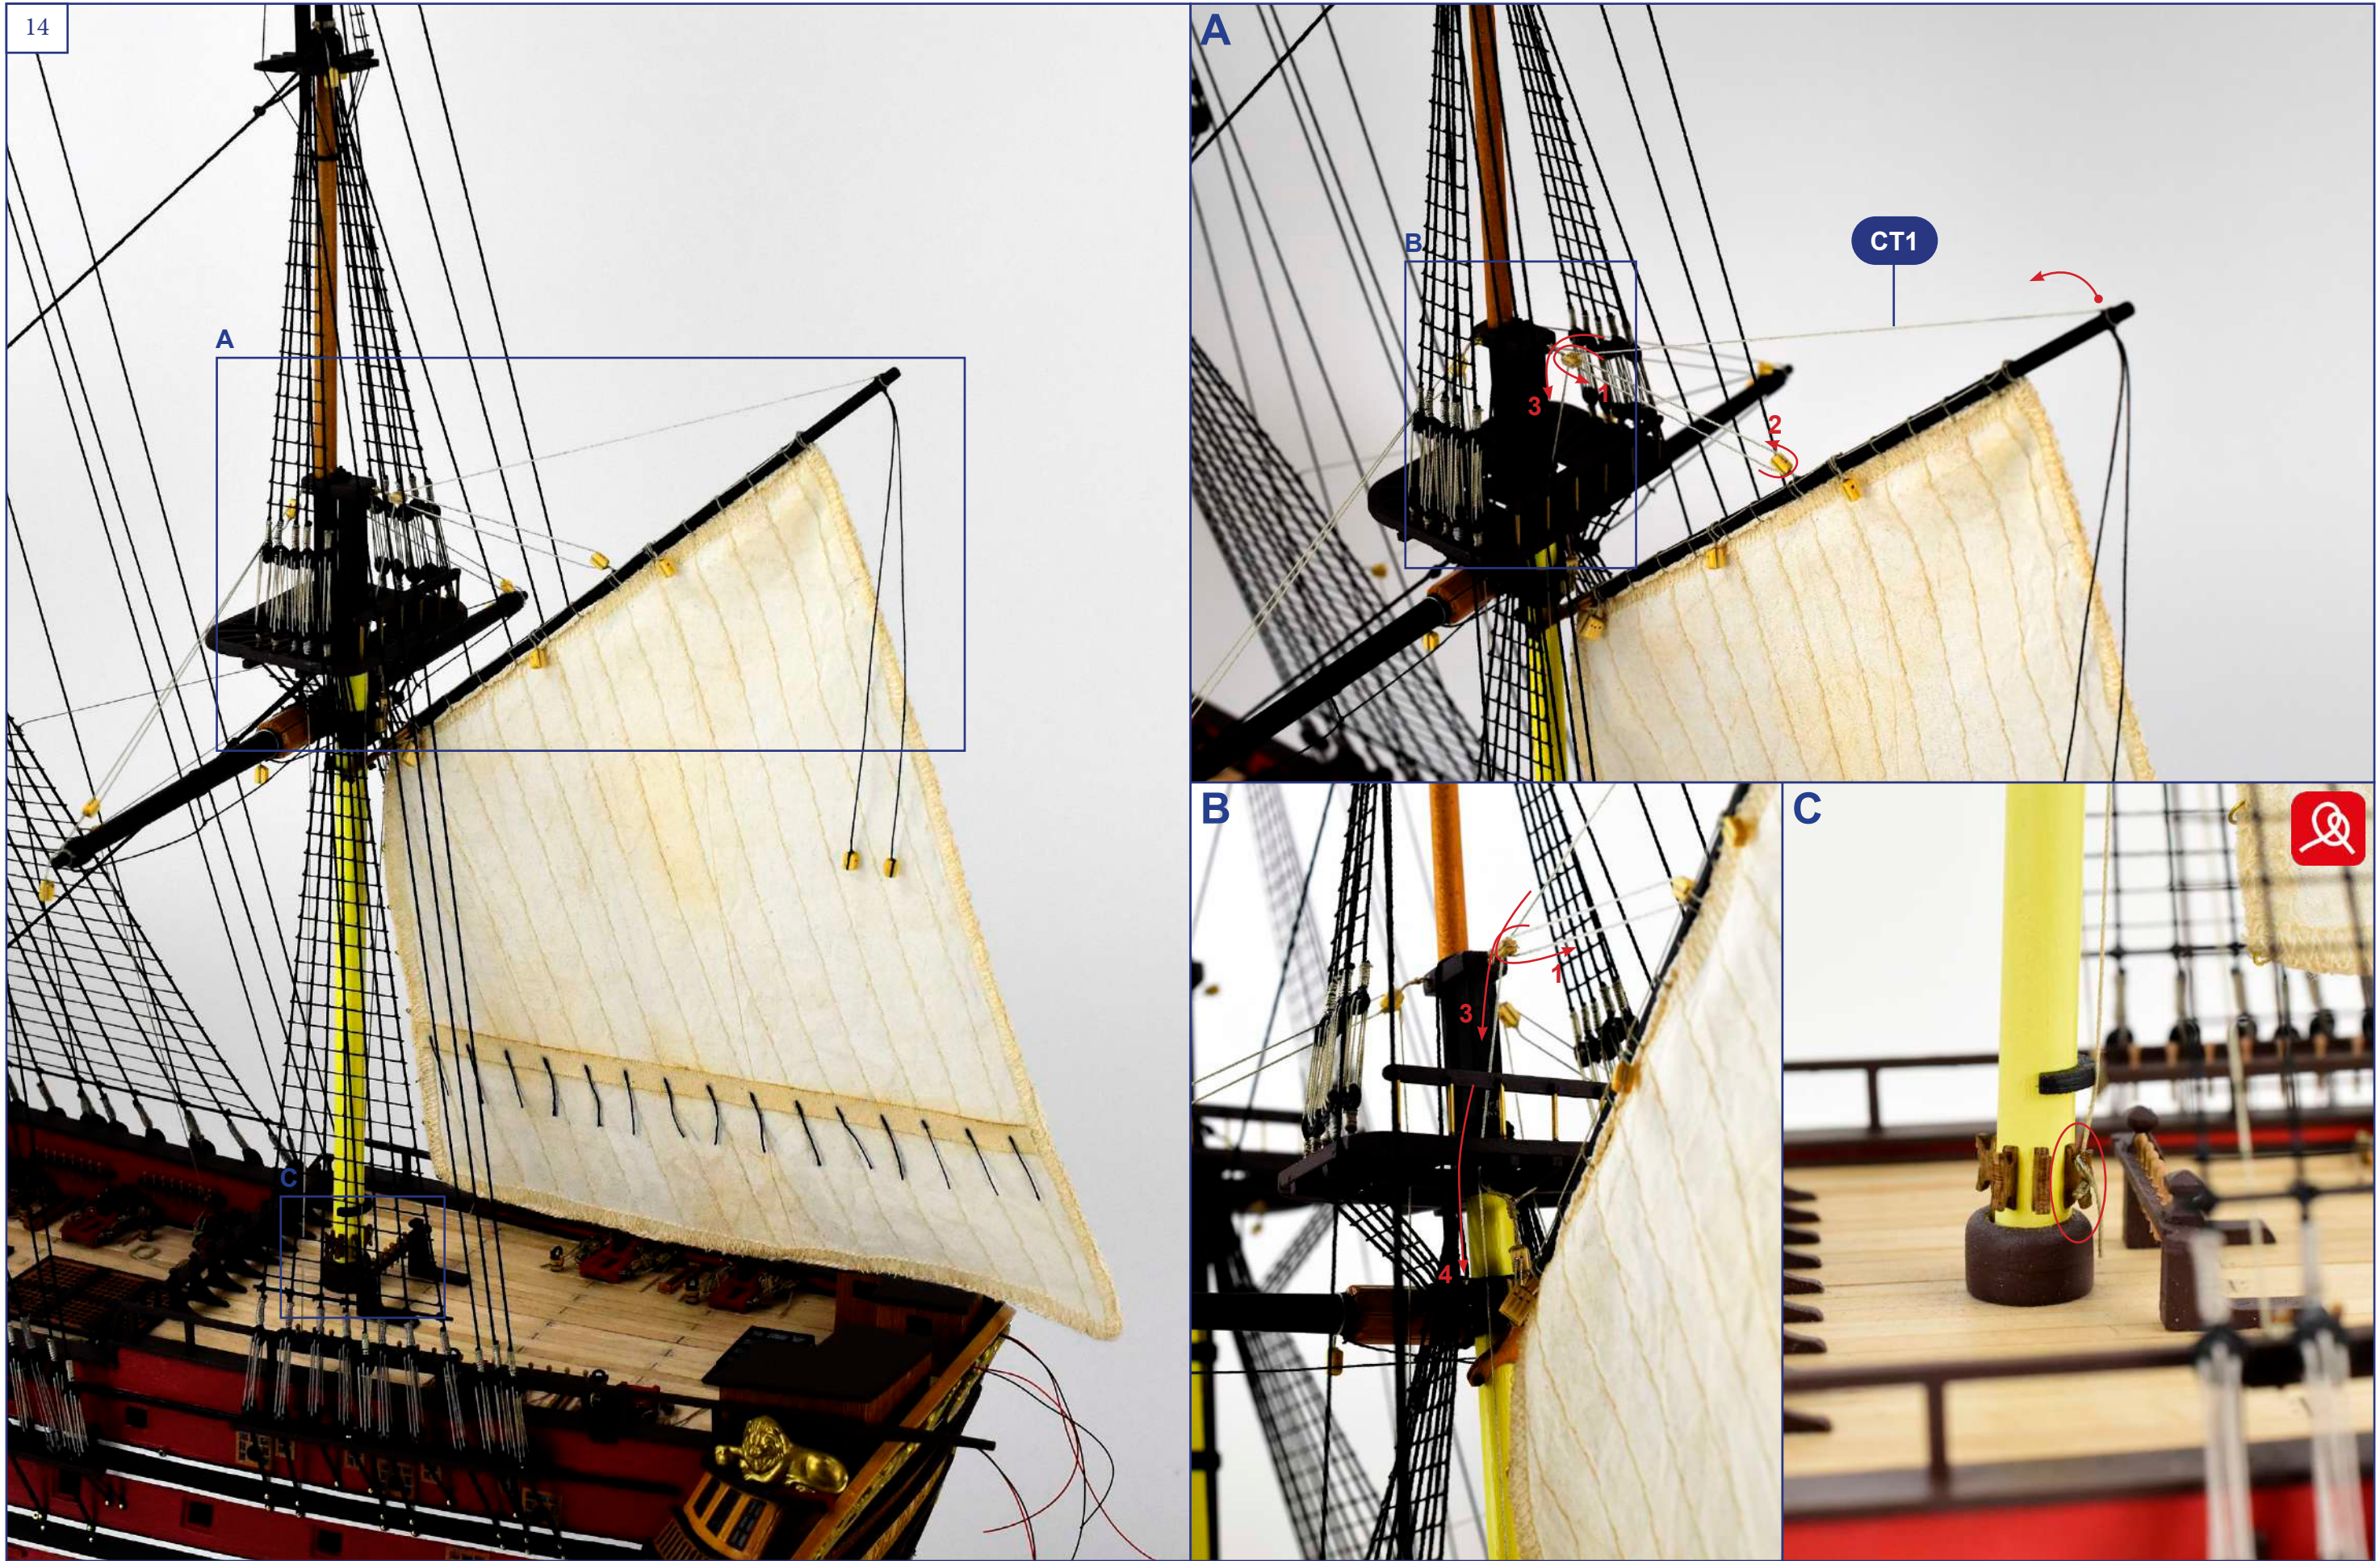

Close-up of a hand holding a wooden gaff with a sail patch. Red dashed arrows indicate the direction of the stitching. A red circle highlights the point where the gaff meets the patch.
