

REDS AIR FILTER OIL 100 ml

1. INTRODUCTION

REDS Air Filter Oil is a specific lubricant designed for foam air filters on Off-Road engines.

Super tacky, water repellent formula. Helps combat the ingress of sand and dust and repels water without effecting engine breathing. Helps to extend the life of your engine.

Blue colored for easy application.

Please read this manual carefully before using this air filter oil and follow the safety precautions herein.

2. DIRECTIONS FOR USE

Only apply to new dry filters.

Ensure complete penetration and coverage to filter, internal and external.

Use paper towel and squeeze filter to remove any excess oil.

Let stand 10 minutes before refitting the air filter.

3. SAFETY PRECAUTIONS

- do not breathe vapor/spray;
- use only in well ventilated areas;
- avoid contact with skin.

Highly flammable

- Repeated exposure may cause skin dryness or cracking;
- vapors may cause drowsiness and dizziness;
- keep out of reach of children;
- keep container in a well ventilated place;
- keep away from sources of ignition;
- no smoking;
